3 BROTHERS LANDSCAPE

LANDSCAPE DESIGN CATALOG

Front Yards · Entrances · Side Yards · Backyards

Choose the design you like and select the material finish for your garden.

DESIGN 01 · Front Yard · Black Mulch

RECOMMENDED AREA: Front yard / sunny areas

SUGGESTED PLANTS: Rounded shrubs, seasonal flowers, and ornamental grasses.

A clean, elegant design that highlights the entrance.

AVAILABLE MATERIALS

Black mulch | Red mulch | Natural mulch | Pine straw | White stone | New England River Rock | Gray crushed stone | Black Tennessee River Rock | Mixed river rock | Beige crushed stone | White crushed stone | Mixed decorative stone

No plastic, brick, or stone edging. Mulch or stone transitions directly into the lawn.

DESIGN 02 · Front Yard · White Stone

RECOMMENDED AREA: Front yard / sunny areas

SUGGESTED PLANTS: Boxwoods, hydrangeas, loropetalum, and ornamental grasses.

A bright, polished look with foliage in varying heights and textures.

AVAILABLE MATERIALS

Black mulch | Red mulch | Natural mulch | Pine straw | White stone | New England River Rock | Gray crushed stone | Black Tennessee River Rock | Mixed river rock | Beige crushed stone | White crushed stone | Mixed decorative stone

No plastic, brick, or stone edging. Mulch or stone transitions directly into the lawn.

DESIGN 03 · Entrance · River Rock

RECOMMENDED AREA: Entrance / alongside the walkway

SUGGESTED PLANTS: Compact shrubs, hydrangeas, accent plants, and ornamental grasses.

A natural arrangement that complements the entrance and walkway.

AVAILABLE MATERIALS

Black mulch | Red mulch | Natural mulch | Pine straw | White stone | New England River Rock | Gray crushed stone | Black Tennessee River Rock | Mixed river rock | Beige crushed stone | White crushed stone | Mixed decorative stone

No plastic, brick, or stone edging. Mulch or stone transitions directly into the lawn.

DESIGN 04 · Side Yard · Natural Mulch

RECOMMENDED AREA: Side passage / partial shade

SUGGESTED PLANTS: Shade-tolerant plants, low-growing shrubs, and ferns.

Make the most of your side yard with a simple, easy-to-maintain design.

AVAILABLE MATERIALS

Black mulch | Red mulch | Natural mulch | Pine straw | White stone | New England River Rock | Gray crushed stone | Black Tennessee River Rock | Mixed river rock | Beige crushed stone | White crushed stone | Mixed decorative stone

No plastic, brick, or stone edging. Mulch or stone transitions directly into the lawn.

DESIGN 05 · Backyard · Pine Straw

RECOMMENDED AREA: Backyard / partial shade

SUGGESTED PLANTS: Privacy shrubs, foliage plants, and seasonal flowers.

A spacious, natural garden bed that adds color and structure to the backyard.

AVAILABLE MATERIALS

Black mulch | Red mulch | Natural mulch | Pine straw | White stone | New England River Rock | Gray crushed stone | Black Tennessee River Rock | Mixed river rock | Beige crushed stone | White crushed stone | Mixed decorative stone

No plastic, brick, or stone edging. Mulch or stone transitions directly into the lawn.

DESIGN 06 · Decorative Garden · Gray Stone

RECOMMENDED AREA: Front yard or patio / partial sun

SUGGESTED PLANTS: Ornamental grasses, compact shrubs, and perennials.

A modern contrast of stone, foliage, and lawn.

AVAILABLE MATERIALS

Black mulch | Red mulch | Natural mulch | Pine straw | White stone | New England River Rock | Gray crushed stone | Black Tennessee River Rock | Mixed river rock | Beige crushed stone | White crushed stone | Mixed decorative stone

No plastic, brick, or stone edging. Mulch or stone transitions directly into the lawn.

DESIGN 07 · Garden Bed · Mixed River Rock

RECOMMENDED AREA: Front yard / sunny areas

SUGGESTED PLANTS: Ornamental shrubs, low-growing plants, and flowers.

Varied textures create a natural, decorative finish.

AVAILABLE MATERIALS

Black mulch | Red mulch | Natural mulch | Pine straw | White stone | New England River Rock | Gray crushed stone | Black Tennessee River Rock | Mixed river rock | Beige crushed stone | White crushed stone | Mixed decorative stone

No plastic, brick, or stone edging. Mulch or stone transitions directly into the lawn.

DESIGN 08 · Modern Entrance · Decorative Stone

RECOMMENDED AREA: Entrance / sunny areas

SUGGESTED PLANTS: Architectural plants, compact shrubs, and groundcovers.

A contemporary design featuring warm-toned materials.

AVAILABLE MATERIALS

Black mulch | Red mulch | Natural mulch | Pine straw | White stone | New England River Rock | Gray crushed stone | Black Tennessee River Rock | Mixed river rock | Beige crushed stone | White crushed stone | Mixed decorative stone

No plastic, brick, or stone edging. Mulch or stone transitions directly into the lawn.
